

How to make a pom-pom

1
Line up a pair of the 2 semi-circles and start winding the wool.

2
Wind the wool until the whole area is covered.

3
Make sure you keep the flat feet clear of wool.

4
When finished, close the feet and move the wool to the other side.

5
Start winding the wool around the next pair of semi-circles.

6
When finished, close the feet and cut the wool.

7
Cut the wool through the middle, ask for help as we have sharp scissors!

8
Repeat on both sides.

9
Cut a separate piece of wool and tie it tightly through the middle of the pom-pom.

10
Open the feet.

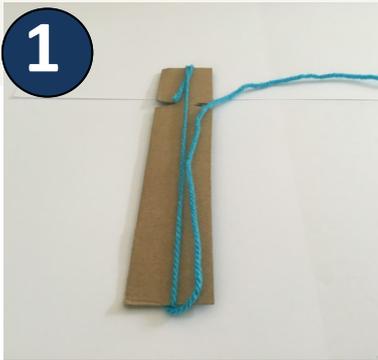

11
Pull the two sides of the pom-pom maker apart.

12
Fluff up the completed pom-pom.

How to make a tassel

1 Start by wrapping the wool around the cardboard.

2 Once the wool has been wrapped around a few times, cut the wool.

3 Cut a piece of wool and tie a knot in the top section.

4 Cut another piece of wool and tie a knot in the second section.

5 Cut the wool along the bottom of the card.

6 Cut through the cardboard in the second section and release the tassel.

7 Wind the wool around the second section and fasten with a knot and trim.

8 Tie and knot the thread through the top knot.

9 Thread beads and tie onto the keyring.

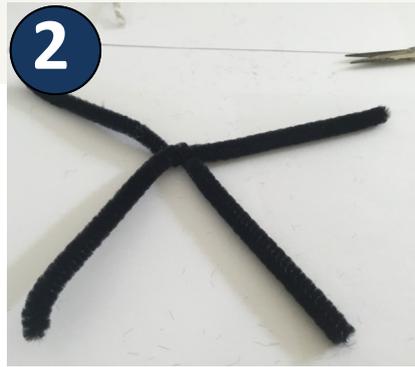

For different effects try adding a second tie and fraying (un-twisting) the wool.

How to make a lamb keyring

1 Make a pom-pom. Take a pipe cleaner, cut in half.

2 Twist the pipe cleaner together.

3 Wrap the pipe cleaner deep into the pom-pom and twist tightly in place. Bend out the legs and angle the feet.

4 Stick the goggle eyes onto the face.

5 Stick the face onto the pom-pom.

6 Wind a piece of wool deep into the pom-pom and knot in place. Secure the keyring to the wool using knots and trim.

Try making the yellow chick or create your own animal!
