Since the covid-19 virus turned our lives inside out, communities all around Elmbridge have showed courage, love and compassion on a scale that none of us could have predicted. We would like to make a lasting record of these stories by creating an Exhibition and a Book that will be on sale as a keepsake.

We invite you all to send us your stories, as photographs, artwork, video or words. We need contributions in the following areas and any other that you can think of: Ideas to get you going:

- The Rainbow Project is creating a Photographic collage of a rainbow made of colour photos. Children's rainbow artwork from windows, adult rainbow art, street art etc.
- Films – we challenge you to make a short video film summing up your experience of Lock-down. These could be conceptual or literal, humorous, they could be your video diary of standing in a queue for Prescriptions, or visiting a loved one in a socially distant way.
- The NHS Clap – send in photos and video of the way your street/community has responded to the Thursday Claps.
- Elmbridge Heroes – tributes to people who have stepped up beyond the call of duty – e.g. Miss Polly's in Molesey, Three Rivers Academy in Walton who have made PPE, teachers, carers, NHS workers, supermarket workers, pharmacists, bin men, etc etc...
- Memorials – tributes to people who have sadly died.
- Video of zoom events, quizzes etc.. life in Lockdown
- Music – have you learnt an instrument, streamed or composed something?
- Poems, short stories or Lockdown memoirs.
- Beautiful bakes or strange recipes.
- Shortages – photos of empty shelves at the start of Lockdown – lack of toilet rolls – empty shelves etc.
